Why do I fit this position?

I have vast experience working and interacting with different cultures and nationalities, having worked in several international companies such as the Walt Disney Company, TUI Hotels or more recently in Grupo Gourmets collaborating in the management and organization of the Hosted Buyers Program, the international program for guest buyers at Salón Gourmets. These experiences have helped me gain the ability to pick up on new skills such as marketing and communications, customer relations, time management, activity planning and team motivation to name a few, as well as improve my English and gain a basic understanding of Italian and Mandarin.

I'm a very outgoing and dynamic person and enjoy working with people from all parts of the world. I believe in the importance of communication and respect, not only towards the clients, but also with my team members in order to maintain a strong team morale. I am passionate about the work I do, I'm an incredibly hard worker, and I always keep a positive attitude, and these attributes are why I believe I would be a great asset to your team and I would be honoured and grateful to be considered for this position.
